

INVITATION TO FP&M SETA SSP FOCUS GROUP WORKSHOPS

The Fibre Processing and Manufacturing Sector Education and Training Authority (FP&M SETA) cordially invites you to participate in our upcoming Sector Skills Plan (SSP) Focus Group Workshops for the 2026/27 financial year.

Your expertise and insights are invaluable as we collaborate to identify critical skills priorities, address sector challenges, and shape the future skills development agenda for the Fibre Processing and Manufacturing sector.

Who Should Attend

**Employers & Industry**
Leaders from FP&M sub-sectors

**Labour Representatives**
Trade unions & worker organizations

**The post-school education and training (PSET) system**
Universities, TVET Colleges, Private Providers

**Government Partners**
Departmental & public sector stakeholders

Workshop Purpose

- Identify emerging skills needs and occupations in high demand within the sector
- Validate sector change drivers and their implications for skills development
- Inform the development of strategic interventions for the 2027/28 SSP
- Foster collaborative dialogue on sector transformation priorities
